

Testimonial:

Bailey's Construction Unlimited LLC (BCU) provided Just Bucket Excavating, Inc.(JBE) with quality, skilled trucking services. JBE was a subcontractor on both the East Segment and Systems Segment of the Portland Milwaukie Light Rail project for Trimet. Both segments required soil haul off and material delivery. BCU provided on time deliveries and efficient soils haul off. BCU is JBE's preferred trucking company due to BCU expert drivers, truck maintenance and quick response. Just Bucket Excavating, Inc. recommends Baily's Construction Unlimited, LLC for all your highway and road trucking needs.

Sincerely,
