

Twirl Advertising and Design, LLC Takes Top International Creative Award – The 2009 Summit Creative Awards

Among the thousands of submissions from 26 countries, Twirl Advertising & Design, LLC scored among the very best in the category Logo Redesign/Rebrand. We were awarded the Bronze for the Des Plaines Park District logo.

"Working with Twirl on the design of our logo was a pleasure," said Superintendent of Recreation Gayle Mountcastle. "Their expertise in all phases of the process – from gathering staff input to researching the graphic elements to presenting final designs for our Board of Commissioners – made the project enjoyable for all of us, and the results are fantastic. We have had unanimously positive reviews from every department in the district, as well as from the residents. The logo truly represents who we are, and will continue to look fresh for many, many years."
